Application of Bear Valley Electric Service, Inc.
(U 913 E) for Authority to, Among Other Things,
Increase Rates and Charges, and Authorized Revenues,
for Electric Service Effective January 1, 2023

Application No. 22-_____

NOTICE OF AVAILABILITY

An Application for 2023 General Rate Case (Application) has been filed with the California Public Utilities Commission by Bear Valley Electric Service, Inc. (BVES) seeking, among other things, approval for certain costs incurred by BVES and recovery of such costs in rates; authority for BVES to increase general rates, energy supply charges and certain other charges; authority to implement capital improvement and fire risk-reduction programs; and authority to implement certain revenue adjustment mechanisms and memorandum accounts.

In terms of total annual operating revenue requirements, in its Application BVES requests \$50.28 million for Test Year 2023. If approved, this request represents a year-over-year increase of approximately \$10.5 million, which translates into a 26.5% increase when comparing the Test Year 2023 requested amount to the authorized 2022 operating revenue requirement.

In addition, BVES is requesting year-over-year increases in total operating revenues of \$2.24 million (4.45%) in 2024, \$1.85 million (3.53%) in 2025, and \$2.93 million (5.39%) in 2026.

If anyone receiving this Notice of Availability wishes to receive a copy of the Application, please contact Dr. Nguyen Quan at Nguyen.quan@gswater.com or send a written request to him at, 630 East Foothill Boulevard, San Dimas, California 91773. A copy of the Application has also

been made available at <https://www.bvesinc.com/customer-service/rates-regulations> on August 30, 2022.
